

C/TPA Client Onboarding Checklist

A portfolio onboarding checklist for bringing a new Employer client into a C/TPA workspace.

Client profile

1	Confirm legal business name and primary contacts.	☐
2	Identify DOT agency coverage and regulated populations.	☐
3	Collect program, location and DER / supervisor information.	☐

Operational setup

1	Configure employer access and feature controls.	☐
2	Load employee / driver roster and program assignments.	☐
3	Confirm consortium pool and random selection setup where applicable.	☐

Launch

1	Review testing order and collection-site workflows.	☐
2	Confirm document delivery, reporting and billing contacts.	☐
3	Provide portal orientation and support contacts.	☐

Use note: This worksheet is an operational aid and does not replace agency rules, legal advice, or your organization's compliance procedures.
