

Supervisor Reasonable Suspicion Quick Guide

A manager-facing observation worksheet for documenting objective workplace observations.

Observe

1	Record specific, contemporaneous observations rather than conclusions.	☐
2	Note behavior, speech, appearance, coordination and performance observations where relevant.	☐
3	Record date, time, location and witnesses.	☐

Escalate

1	Follow the employer policy and supervisor escalation process.	☐
2	Contact the designated program representative or DER.	☐
3	Avoid diagnosing medical or substance-use conditions.	☐

Document

1	Complete required observation documentation.	☐
2	Record testing order information and timing if testing is directed.	☐
3	Store the record securely and limit access appropriately.	☐

Use note: This worksheet is an operational aid and does not replace agency rules, legal advice, or your organization's compliance procedures.
